

June 13, 2005

To: Residents of the neighborhoods of Country Club, Woodlea Manor, and Greenway Farms

From: Standing Residential Traffic committee (SRTC)

Re: **Traffic Calming Measures**

The SRTC will be holding three public meetings on the dates listed below to consider the traffic calming measures for Country Club, Woodlea Manor, and Greenway Farms neighborhoods proposed by the Ad Hoc SRTC subcommittee.

As you probably are aware, there has been much concern regarding speeding as well as increased volume due to cut through traffic from U.S. 15 on Meade Drive. Last year measures were taken by the Town Council that installed several stop signs along Meade Drive to alleviate this concern. However, since their application, there has been concern of their lack of effectiveness. A subcommittee of 7 residents (Al Lewis, Dawn Barrett, Kim Berkey, Marcia Brown, Jim Dennison, Ann Jones, and Larry Tucker) was formed from each neighborhood to identify alternatives to the stop signs.

The purpose of this letter is to advise you of the proposals and seek your reaction to them. The decision to ultimately make these changes can only be made by the Town Council. You may seek more information by contacting Mr. Calvin Grow the Town's Transportation Engineer at the Department of Engineering and Public Works at 703-771-2791

Sincerely

Liz Whiting, Chair
Standing Residential Traffic Committee

Public Meeting Dates:

July 13, 2005 7 p.m. at Greenway Farms community center

July 20, 2005 7 p.m. at Woodlea Manor community Center

July 27, 2005 7 p.m. at Town Hall basement conference Room

cc: Mayor & Council
Town Mayor
Director of Engineering & Public Works
LSRTC Members
